Summer Village of Gull Lake

Season's Greetings & Happy New Year!

From our families to yours, we wish you a joyous holiday season filled with warmth, laughter, and peace, and a happy, healthy New Year.

— The Council and Staff, Summer Village of Gull Lake

As the summer docks are tucked away and the shimmering waters of Gull Lake transition into a quiet winter wonderland, we want to wish all our residents, property owners, and friends a wonderful holiday season. Whether you are year-round residents enjoying the crisp winter air or seasonal visitors checking in on your winterized properties, Gull Lake remains a special place all year long.

Winter Living at the Lake

What You Need to Know

- **Snow Removal & Winter Parking:** Please ensure vehicles and trailers are kept off municipal roadways during major snowfalls to allow our snow-clearing crews to do their work safely and efficiently.
- **Fire Safety & Chimney Maintenance:** With the cold weather setting in, if you are firing up wood-burning stoves or fireplaces, remember to have your chimneys inspected and cleaned. Please also exercise caution with holiday lighting and ensure your smoke and carbon monoxide detectors are tested.
- **Winter Recreation & Ice Safety:** While skating, cross-country skiing, and ice fishing are wonderful perks of lake living, **ice thickness can be unpredictable**. Always check ice conditions thoroughly before heading out onto the lake.

DO YOU HAVE A PET?

Please ensure your pet is on a leash at all times & take responsibility for your pet's waste and pick it up.
