Closures and Cancellations Due to COVID-19

Council is concerned about the health and safety of residents and visitors to the community and support the direction provided by Alberta's Chief Medical Officer of Health to assist in containing COVID-19.

For this reason, Council has implemented the closure of the Summer Village Office, Public Works Shop, Gull Lake Community Hall and the use of playground and outdoor exercise equipment.

We have kept Centennial Park open for residents to enjoy as long as physical distancing of 2 meters is followed. Physical distancing will be monitored and if not adhered to, we will be forced to close Centennial Park. This is something we do not want to do unless absolutely necessary, so let's all behave accordingly.

In addition, all events, activities, recreation and other programs scheduled to take place within municipal buildings and on municipal public lands will be cancelled until further notice. Alberta Health is the lead agency and we are monitoring and following their instructions and plans daily.

Together, we are committed to minimizing any impacts and encourage all residents and visitors to be diligent and proactive in preventing the spread of COVID-19.

If you have questions regarding this notice feel free to contact the Summer Village office at 403-748-2966.

Sincerely,
Mayor Linda D'Angelo
