

The Annual Rate Payers Meeting (Formerly known as the AGM) was held on July 16th with great attendance. Some of the concerns expressed were from the Oliver residents regarding the beach and paths.

Heavy rainfall in the spring continued to cause issues in Cyrene Crescent.

### Volunteer Opportunities

The Village is looking to fill some recently vacated volunteer opportunities. Representatives from the community are in being sought to sit on the Municipal Development Committee and the Weed Control Committee. If you are interested in either of positions, please contact the office at [admin@summervillageofgulllake.com](mailto:admin@summervillageofgulllake.com) with a brief email.

It was a busy summer with a number of well attended events.

The Village hired 5 summer students to help facilitate the recreational program and village maintenance. Thanks to all those who organized, helped, volunteered or participated!

### Rates and Charges Bylaw Review

Council is in the process of updating the Rates and Charges Bylaw. If you are interested in providing comments, please reach out via email or you are welcome to present at the next council meeting.
